Ohio High School Track & Field Coaches,

On behalf of the OATCCC, I hope all of you are enjoying our 2019 track and field season!

We would like to make coaches aware of the OHSAA team definition for track and field teams. In order for a school to meet the "team" definition**, 9** individuals must be entered in, and compete, in the district meet.

The number of full teams that compete at the district meets in 2019 directly impacts the number of teams that qualify to the regional meets in subsequent years. Let's make every effort to have **at least NINE** individuals compete in your District meet this season. This effort is for the good of our sport, which is a wonderful sport!!

Also, if you an outstanding senior, please look at the information for the Midwest Meet of Champions on our oatccc.com website. Potential athletes can communicate with our coaching staff through our Midwest link on the site.

The OATCCC wishes you the best of luck this season and we thank you for coaching our student-athletes!

Diane Krumpak

OATCCC President
