

**George Clements Invitational  
University School  
24 August 2013**

**Race Day Schedule**

7:15 AM	Course will be open for inspection
8:00 AM	Coaches meeting in the pavilion
8:30 AM	Girls Race
9:15 AM	Boys Race

**Course**

A course map will be available online soon. For the most part, the course is the same as in years past. For safety reasons, however, we have made a number of changes. The race will begin and end in the lower fields. Spectators can view the first 2000+ meters from the top of the hill. The course then enters the woods, where it remains for approximately 2000 meters. The final 900+ meters are in the lower fields, with the finish along a 150+ meter straightaway at the base of the hill separating the lower fields from the upper fields.

**Restricted Areas**

The soccer field and the football field are off limits. Please remind your athletes to stay out of these areas.

**Awards**
