

**George Clements Invitational  
University School  
23 August 2014**

**Race Day Schedule**

7:00 AM	Course opens for inspection
8:00 AM	Coaches meeting in the pavilion
8:30 AM	Girls Race
9:15 AM	Boys Race

**Course**

The course map is available on Baumspage. For the most part, the course is the same as in years past. For safety reasons, however, we have made a number of changes. The race begins in the lower fields. The first mile consists of a loop of the lower playing fields followed by a loop of the upper fields that takes the runners by the pavilion. The course then enters the woods, where it remains for the next two kilometers. The two-mile mark is at the bottom of a hill next to a water treatment plant. The runners then go up a hill and by the trout hatchery before returning to the playing fields. The final kilometer consists of a loop in the lower fields followed by a loop in the upper fields, with the finish along a 150+ meter straightaway in the upper fields.

**Restricted Areas**

The soccer field and the football field are off limits.
