Course: Accurate 5000m/3200m course at Eastwood High School
Flat, a few turns, grass and woods
Excellent spectator course

General Information:

- We will use the “write the runner’s number on his/her right hand” method. After all entries are received, I will publish on Baumspage a list of numbers for each of your athletes. Instead of bib numbers, we will ask that you write it (legibly) on the right hand of each runner. You can do this before you arrive, or we will provide permanent markers for you at the site. Please write them on the **RIGHT** hand, as shown.
- Course will be open for inspection upon arrival.
- Runners should report to the starting line no sooner than 5 minutes prior to the start of the race; there will be no instructional meeting, and we will hold rigidly to the posted start times.
- Camps can be set up by the fence on the western side of the football stadium. All teams are asked to discourage their athletes from congregating in the camp areas
- Limited concessions will be available in the stadium.
- Coaches need to provide a checklist that athletes were screened for COVID-19 symptoms at check-in.
- Restrooms are available in the stadium.
- Buses should enter on the west side of Eastwood High School, off Luckey Road.
