

Elementary 1 mile

Start

Finish

Rugby Pitch

Softball field
Temporarily closed

The start and the finish are the same as the other races, but the participants will not go up the hill. Instead they will go next to the hill through the access road to the softball field, rejoining the MS and HS course for the loop in the woods. From this point the finish will be exactly like the finish for the high school course after the 2 mile mark.
