

PLEASE READ CAREFULLY

SBC Cross Country Championships Oct. 11, 2014 Firelands College, Huron

This is the initial letter for the SBC Cross Country Championships at Firelands College 2014. **As of September 2nd you may enter your athletes on Baum's page.** As usual there is a waiver that every athlete must have filled out by their parents. **The waiver should be returned by fax no later than September 19th** to Huron High School c/o Bill Scott at 419-433-2339.

Starting in October if you want to bring your team to Firelands College to see the course you must call Bill Scott at 419-357-6136 to let him know so it may be passed on to the College.

Meet information: Tents must be put between the finish area and the starting area.

The **starting line** should be able to accommodate at least your top five runners and the starting spots will be randomly assigned.

This is the great **spectator** course. Because of that we have to be more cognizant of the spectators and where the course goes. Please feel free to help with crowd control so there are no mishaps with runners.

In your packet will be tags for each runner. Please **attach the tag to the upper right hand side of their uniform top with the safety pin provided. Do not fold the tag.** We are trying to take all precautions to make sure every runner is accounted for. WE do recommend you still get your own times and include them on the envelope provided. Please fill out the envelope and return it to the red tent by the finish line. We will try to get the times of all the open race runners and have a printout for you. Nothing needs to be turned in for the H.S. open race.

When the H.S. varsity and Jr. High race is over please fill out the envelope by **printing the name, place and time** of each of your runners. We have provided an extra sheet for the Jr. High races in case you have more than seven runners on the team. **Return the envelope quickly to the table at the red tent by the finish line** (used to correct any errors if needed). Results will be done on Hy-Tek Meet Manager system. Coaches may pick up a copy of the race results from the red tent at the finish line before you leave. Results will be posted and extra results for parents will be on sale for \$1.00. The results should be on Baums page by Sunday. There will be a time clock at the mile, someone reading the time at the two mile mark and we will have a time clock running at the finish line.

We also have a 1 mile elementary race at 11:45am. **Awards** for the Jr. H. and H.S. will follow the elementary race and will take place at the stands near the finish line.

Yours,
Bill Scott & Gary Payne
Meet Managers

P.S.

If you want to view the courses at Firelands College on line go to usatf.org/routes , in the upper left choose Search the Database, then type in the distance you want (3.1, 2, or 1 mile), go to city type in Huron, state-Ohio and press search. For the high school course click on SBC 3.1 mile course, for the Jr. H. course click on SBC 2 mile course, and for the elementary course click on elementary SBC race 1. On this website you can zoom in and out to see the course better. The course is relatively flat with some paths and open areas. A reminder, if you plan to come to Firelands College to see the course please call the number given earlier in this information.
