September 23, 2013

Coaches and Athletic Administrators,

Below you will find information concerning the third running of the Streak Cross Country Invitational. Last year we experienced some problems with the awards. We have reviewed things and we have worked to improve things for this fall. We will work very hard to make it an enjoyable race. Contracts are now on MYOHSAA.

Date: Tuesday, October 1, 2013

Location: Robert Walsh Park

610 Morrison Street

Fremont, Ohio 43420

Cost: \$150.00 per school including junior high - junior high alone is \$60.00 per school. *Please send your check ASAP.*

Time: 4:30 high school girls race begins followed by high school boys, junior high school girls and junior high school boys.

Awards for High school and Junior High:

First and second place team trophies

Top seven runners - medals & blue ribbons

Second seven runners - red ribbons

Third seven runners - white ribbons

Bus Parking: Buses may unload at the entrance to the park on Morrison Street. We are planning on parking the buses at the Fremont Recreation Center which is about ten blocks from the park. *The unloading and loading procedure will be much easier if your buses approach the park from the north on Morrison Street. That way your runners may exit the bus and enter the park to the right and not have to fight traffic crossing the street.*

Teams Participating: St. Joseph C.C., Bettsville, Tiffin Calvert, Cardinal Stritch, Carey, Gibsonburg, Hopewell-Loudon, Lake, Lakota, New Riegel, Otsego, Fostoria St. Wendelin and Put-In-Bay.

Concession Stand: Open from 3:30 until after the last race.

Course: Some Hills

Any questions should be referred to Gary Geller at 419-332-9947 or ggeller@bishop-hoffman.net

Yours in Sports,

Gary Geller
