

# **Cleveland Running Co. "Run, Comet, Run" Invitational**

Saturday, August 25<sup>th</sup> 2018  
Cleveland Metroparks Polo Fields  
3799 Chagrin River Rd, Moreland Hills

## **Race Schedule**

Course open at 7:30 AM  
Boys High School Varsity Race 9:00 AM (unlimited)  
Girls High School Varsity Race 9:45 AM (unlimited)

## **Participating Teams/Lane Assignment:**

1. Chargin Falls
2. Kenston
3. Mayfield
4. Nordonia
5. Orange
6. Perry
7. Solon
8. Twinsburg
9. Willoughby South

## **Team Packet:**

Team packets will be available in the pavilion at 7:30 AM

## **Parking:**

Team buses should enter at the North entrance for drop off. The buses will then park across the street in the open field. Spectators and family can find limited parking at both North and South entrances. There is additional parking across the street from the South entrance at the Forest Ridge Lot. The South end will have additional spots on the grass along the road side. Please follow the parking assistants directions we don't want cars within the race course.

## **Team Camps:**

Please set up your team camps outside of the large grass field. Also, make sure to keep the trail around the grass field clear because this is part of the race course. There is grass space outside of this trail for team camps especially on the North side of the field.

## **Course:**

The course starts in the large grass field closest to the North entrance then makes a loop around the perimeter. This will be great for spectators to see them in the first mile. The course then enters the woods at the South side of Polo Fields. The course follows the dirt bridal trail to "Old Field". The runners make a loop around the grass of Old Field then get back on the bridal trail toward Polo. Once they exit the woods they make an immediate left and follow this trail back to the large grass field of Polo for the finish. The course will be marked with flags and in some areas lined. The course will have guides at crucial turns. Otherwise runners should stay on the dirt or grass trail. It will be very easy to cut a flag short in many areas. The course guides will be instructed to write down team names and jersey numbers for any discretion. So, please discuss flag colors and directions.

### **Timing:**

We will be using Great Lakes Race Timing. All runners will be using bib chips. The chips are located on the back of the bib. Please be sure to enter only those athletes that will be competing on Baumspage. Please remember to return any unused bibs. All bibs should be worn on the chest of the jersey. Please report any athlete who does not finish the race. Any unused bibs that weren't returned before the race will be subject to a \$5.00 charge.

### **Results and Awards:**

Results will be posted in the pavilion after the race and on Baumspage.com later that day. Individual awards will be handed to the athlete as they finish the race. The first place finisher receives a gold medal. The second place finisher receives a silver medal. The next 25 finishers receive a bronze medal. The First and Second place team will receive a plaque. This applies to both male and female races.

### **Cleveland Running Co.**

The store will be near the pavilion selling race shirts and other gear.

**Good Luck Coaches and Athletes!!!**
