A contract is attached. If you wish to participate please check the appropriate boxes, sign, secure payment from your athletic department, and return to our athletic office by August 31. Remember that high school teams must compete in the division assigned them by the OHSAA and will not be permitted the option of changing divisions. For out-of-state teams, classification for divisions in Ohio is determined by the average number of boys and girls enrolled in grades 9-10-11.
