Due to the torrential rain and flooding this summer the entrance to Golden Rocket Drive off State Route 327 is currently closed for road and bridge repairs by ODOT. We are uncertain at this time if this entrance will be open by August 29th. If it is not we ask that you use the Grady Lane entrance off State Route 93. We will be in touch the week of the meet to update you on the status of our school entrances. Thank you for your cooperation.
