

Coaches,

A few quick notes – Sorry that they are so late!

Most of the construction will be complete at the school. Bathrooms and locker rooms will be available off of the gym area. Packet pick up will be on the west side of the building near the start line. Buses can drop off athletes in the north side lot. Parking for the buses will be across the street at the south end of Shankland Rd. We will have someone helping to direct traffic. Parents and spectators will be allowed to park in the north side lot.

The course will be slightly altered to avoid the “finished” construction that has occurred at the school. The actual changes are so insignificant that you may not even notice them. Maps will be available in the packets.

Bibs will be assigned this year to aid in the finishing of results. Any changes can be made at the packet pick-up area.

All individual awards will be handled in the chute. Team awards once the results are tallied.

Please feel free to call me if you have any questions or concerns. 440-823-1822

Steve Milazzotto
