## Seeding Information and Criteria:

- A. We will seed the top eight wrestlers in each class and select one alternate.
- B. Seeding will be based on the following criteria:
  - 1. State Champion
  - 2. State Place - in order of place.
  - 3. Catholic Invitational Champion.
  - 4. District Place - in order of place (\*Must be State Qualifier)
  - 5. Catholic Invitational Place - in order of place.
  - 6. Current overall record. (8-match minimum - must have winning percentage.)
- C. Seeds will be determined in order from first to eighth by applying the above criteria.
  - 1. If criteria #1 to #5 are equal, priority will be given to the wrestler returning in the same or lower weight class.
  - 2. Ties for winning percentage will be broken by head to head competition, then random draw between wrestlers involved.
  - 3. Wrestlers that qualify for seeds #1 to #6 must accept the seed. Those that qualify for #7, #8, or the alternate may "pass" on the seed!

## Re-draw Procedure on tournament day:

- A. Once brackets are drawn and printed, there will be no re-draws. However in order to maintain the integrity of the brackets as printed and to be fair to the contestants, the following procedure will be used:
  - 1. Seeded wrestlers will be rotated up to their appropriate line, and the replacement from their team placed on the line of the alternate.
  - 2. Non-seeded wrestlers lines on the bracket will become byes if a bye is legal.
  - 3. If a bye is not permitted, a coin flip (or series of flips) will determine which line will become a bye, and which wrestler must be moved to make the bracket legal.
  - 4. The over-all goal will be to maintain the integrity of the bracket in the simplest and fairest way possible.
