

OHSAA Regional Wrestling Dual Team Tournament Excel Template

1. After 12:00 Noon on Tuesday before the teams compete on Wednesday, rosters submitted on baumspage will be downloaded and imported into an Excel template.
2. The baumspage.com staff will e-mail the Excel file to the site manager and/or the computer designee.
3. A program cover, weigh-in sheets for all teams, a rosters page listing all teams competing at the tournament site, and a team score template will be generated automatically for the rosters submitted.
 - a. Click the **ProgramCover** worksheet to print a cover for your program
 - You may use it “as is” or edit the team list section and replace with a schedule of matches.
 - b. **Weigh-in** sheets will need to be printed and ready when teams check-in at the tournament.
 - Coaches will be permitted to make changes at check-in.
 - A wrestler will be eligible to wrestle at the weight class at which he weigh-ins plus the next heavier class, if he meets the weight class requirements.
 - After weigh-ins the pages must be copied and provided for the other coaches that will/may be competing against them.
 - Collect a copy of the team alpha weight sheet and make sure that all wrestlers that are competing meet their alpha weight requirements.
 - c. **Rosters6, Rosters5, or Rosters4** can be used the program if desired. Use **Rosters4** if there are 4 or less teams.
 - d. The **Matches** team score templates will have the teams that are competing already listed.
 - If a team has a bye, the opponent’s roster will be blank.
 - After the opponent is determined, the roster can be pasted from the first match template.
4. The **Matches** template will be used to generate a team score file with individual match results that can be easily converted to HTML format and posted on the web.
 - a. Data entry is as simple as typing a score in the **Match Results** cell of the winner, entering the team points in the **Team Points** cell, and putting an “x” in the **Match Results** cell of the loser.
 - b. Repeat for each match. There team score summary will be generated automatically.
