

# Congratulations!

## You have qualified for **Girls Division 1** **Southwestern District Golf Tournament** Beavercreek Golf Club

1. On tournament day you must pay greens fees of \$125.00 per team or \$25.00 per individual. Cash or checks made out to Beavercreek Golf Club will be accepted. Our plan is to follow the “no pay, no play” procedure.
2. Spectators will have to pay admission. The head coach (with his pass) and the participating players get in free, but everyone else pays \$6.00. I hope this is not a problem for anyone (especially the ticket seller). For many years golf was a revenue loser. Money generated at the Districts won't solve everything, but it helps us to be more of a “break even” sport.
3. **The Division 1 girls tournament will be held on Tuesday, October 10, 2017. Play begins at 9:00.**
4. **Your tee times and pairings are determined by your finish in the Sectional. Please check our web sites under golf [www.swdab.org](http://www.swdab.org) or [baumspage.com](http://baumspage.com) to find out where you tee off, when you tee off, and who you will be playing with.**
5. The rain date for the tournament depends on many factors such as course availability, the weather forecast, and how much of the tournament is left to be played (since play resumes from where it stops). Friday is our first choice.
6. **The Southwest District Tournament will be held at Beavercreek G.C. The address is 2800 New Germany Trebein Road, Beavercreek, OH 45432**
7. Warmup balls will be available at the driving range (not in the clubhouse). Their cost is included in your greens fees.
8. Play will be from a mixture of white and gray teeing grounds (gray on the easy holes – approx. 5600 yards), We will use only one set of tee markers.
9. Players will not come to the clubhouse between nines to post their scores (or eat). This is an 18-hole tournament and therefore players should proceed to the next tee.  
**Each coach is responsible for reporting their team's 9-hole scores (unofficial) in the clubhouse so we can post them. Bring scores in yourself or send them in with someone.**

10. You are welcome to have team coolers behind the 9<sup>th</sup> greens filled with drinks, snacks, sandwiches, or whatever. Actually, keep the cooler on your cart if you like.
11. If necessary “sudden victory” playoffs might begin on hole #1, or a hole t.b.d.
12. There are cell phone rules from the O.H.S.A.A. We will be enforcing them. Please tell your players and spectators.
13. Spectators are permitted, but are **not** permitted to converse with participants. It will be the responsibility of coaches and players to caution any spectator from talking to or interfering with contestants. Not doing so may result in a penalty of disqualification of contestants involved. **No carts will be available for spectators.** Head coaches will be given a cart for their own use.
14. Players can **NOT** ride in carts **EXCEPT** when they are being shuttled from the following greens to the next tee: #1 - #2, #7 - #8, #8 - #9, #10 - #11. We will provide shuttle carts, or players can be shuttled by a coach.
15. The new Coaching Rule is in effect for its fifth year. Refer to page 11 of the 2017 Golf Coaches Guide for details. Included in your tournament day packet will be a lanyard that the head coach (or their designee) should wear. The lanyard is not transferable. Again, each head coach will be given 1 cart to use.
16. **Read the manual** at [www.ohsaa.org](http://www.ohsaa.org) under Sports – Golf-Boys – 2017 Golf Manual. It is full of rules and regulations that you are responsible for knowing.
17. Also range finders are permitted again this year. The range finder must NOT be part of a communication device, such as Smart Phones with range finder or GPS apps. The middle of page 8 in the 2017 Golf Manual has the exact wording of the distance-measuring device rule.
18. Results will be posted on the Southwest District website. Nothing will be mailed.
