

TOURNAMENT COURSE RULES

1. All areas of the golf course that are considered “naturalized” areas, wooded areas, and wet-lands that are not manicured are to be ruled as a lateral hazard.
2. Drop areas have been made on hole #3 and #6 if you hit the ball into the hazard.
3. You may pick your ball up **ONLY** if it is plugged, and then you can have a free DROP.
4. All holes must be holed out.
5. The road on #6 and #17 is O.B. for it is off of course property.
6. The privacy fence around the maintenance barn is considered to be O.B.
7. Areas on the golf course that are marked ground under repair by a white circle allows you a free DROP. If you are in an area your foursome all agree that is ground under repair, play 2 balls and an official will make a decision.
8. The ponds on #6, #10, #12, #14, and #15 though not marked are to be played as a lateral hazard if your ball is hit into it.
9. Please replace all divots and fix all ball marks.
10. **If there is any discrepancy of a ruling, please play 2 balls, and an official will make the final decision.**

**There will be officials on the course through-out the tournament, please use them – they will make all decisions.
