Rules and Procedures

FORMAT

18 Hole individual stroke play, four scores out of five will count towards qualifying. Exchange scorecards prior to starting your round. You are responsible for your hole-by-hole scores being correct. Each card must have two signatures, that of the competitor and the marker. Prior to the start of play make sure your golf ball has an identifying mark on it and that you identify it with your fellow competitors.

USGA and OHSAA Rules govern all play

- Please Note OHSAA Rule: A golfer may pick up their ball at any point during the round, but will be disqualified as soon as they choose to do so. However, he/she **should** continue to play with his/her group to finish the round. From the point of pick up, each hole thereafter should be marked on the scorecard as "N/A".
