

Team On-line Seeding (Super Draw)
Tournament Director's Guidance

1. You will rank all DI Dayton Area teams who are participating in the Centerville Sectional Wrestling tournaments. You have the opportunity to go online and enter information about your team (tournament finishes, record, returning state or district qualifiers, etc.). There is a word limit of 100 words.
2. To rank the teams, you will log on to the site with the code provided in the Southwest District Athletic Board (SWDAB) on-line seeding instruction sheet included in this mailing.
3. You can make changes until data is electronically submitted. Once the rankings are submitted, no changes will be permitted.
4. You will need to enter your e-mail address to submit the rankings. The SWDAB will send a receipt notice to your e-mail address.
5. Your code is not case sensitive. You will need to enter all hyphens. If you are having trouble logging on, try changing the number "1" to the letter "I" and vice versa. If you continue to have trouble contact me @ my e-mail address, alan.bair@centerville.k12.oh.us or Anthony Dattilo, anthony.dattilo@wpafb.af.mil. We can resend the code through e-mail.
6. The placement meeting will occur at Centerville High School on Sunday, February 1st at 2:00pm. I suggest everyone arrive at least 30 minutes early to review your seed information. All teams must have a representative in attendance.
7. Enter through the Athletic entrance. Signs will be posted providing directions to the seeding meeting. We will be using a home economics classroom, located on the second floor of the hallway outside the main entrance gymnasium.
8. If you do not submit your rankings, you still need to attend the super draw meeting.
9. The order of voting will start with the team with the most votes and continue with the team with the next number of votes until all teams have chosen a sectional tournament. A team may elect to pass. If they do so, they will have the opportunity of selecting after the next team has chosen. A team has an unlimited number of passes. (This is the same process we have followed in prior years). Once a team chooses a sectional, it will be the choice of the next team in the room. Teams arriving late to the placement meeting risk losing their turn. Late arriving teams will select once they arrive. We will not delay the super draw to accommodate late arriving teams.
10. Teams who do not attend the super draw placement meeting will be placed at the bottom of the list in alphabetical order of their school name (e.g., Beavercreek, Centerville, Miamisburg). If there is still a choice of available sectionals, a coin will

be flipped to determine placement. The coin flipping process will proceed by team in alphabetical order of their school name.

11. Like last year, the first 12 teams can choose the same sectional. Once a sectional is full, the remaining teams will be assigned to the other sectional.
12. This meeting will last 15 to 30 minutes. Once again, please don't be late because the super draw will proceed without you.
