Additional Information for Coaches:

- **Timing Re-call:** Note, by rule, in the event of a malfunction by the timing crew system, that timing crews have the authority to recall a race to prevent runners from the unnecessary task of completing a race and having to re-run the race at a later time. This rule is only in effect with the pre-approval of the Games Committee. Timing crews and/or tournament managers and/or referees (in their pre-meet meeting with coaches) should alert coaches to what device will be used to re-call said race.
- **Uniforms:** **Do you have an athlete who requires a waiver to the typical uniform regulations for religious, medical, or other reasons?** If so, you **MUST** obtain a waiver from Dale Gabor, Director of Track and Field for the OHSAA, in order for that athlete to compete. This is a coaches' responsibility and will be enforced according to the rule. There are no appeals or exceptions to this regulation.
- **Inclement Weather Plan:** If weather interferes with one or both days of the meet, we have prepared an inclement weather plan. This will be discussed at the coach's meeting on Wednesday before prelims being so all teams are on the same page.
- **Turf Field:** Please advise athletes to stay out of the roped off turf field area. Warm up space will be made available in the end zones and along the sidelines
- **Hospitality:** We will have coaches and officials hospitality available in the area where the coaches meeting will take place. No meal tickets will be provided.
- **Athletic Training:** Our athletic trainer will be stationed near the finish line area if athletes need assistance.

Please let me know if you have any questions or concerns.
