Once the meet has started, **no one is permitted on the football field.** Only high jump and pole vault coaches and participants will be permitted in those competition areas.

Team Camps:	There are to be no team camps within the track or in the home bleachers. Camps may be set up under the home bleachers or on the visitor's side.
Timing Recall:	Note, by rule, in the event of a malfunction by the timing system, timing crews have the authority to recall a race to prevent runners from unnecessarily completing a race and having to re-run the race at a later time. This rule is only in effect with the pre-approval of the Games Committee. Coaches will be informed at the coaches meeting what device will be used to recall a race.
Uniform Waiver:	Do you have an athlete who requires a waiver to the typical uniform regulations for religious, medical, or other reasons? If so, you MUST obtain a waiver from Dale Gabor, Director of Track & Field for the OHSAA, in order for the athlete to compete. This is a coach's responsibility and will be enforced according to the rule. There are no appeals or exceptions to this regulation. Contact Dale at dgabor@ohsaa.org
