Head Coaches!

Welcome to the 2018 Kiwanis Titan Relays. . Please make sure to share your feedback/suggestions with me.

We will be hosting this event @ Baldwin Wallace University's Finnie Stadium, and, as always, we are guests of BW & must adhere to some pretty basic requests:

-BW asks that we stay off the field as much as possible. There are to be no team camps on the field, nor in the grassy area on the SW or SE ends, nor in the stands on the Press Box side, between the finish line & the press box. The East side stands are open to all.

Additionally, in order to operate the meet as smoothly as possible, we ask that you follow these guidelines:

No spectators are permitted on the field at any time.

- 1) Athletes warming up should stay near the bullpen area (**north end of the stadium**). Please tell your athletes to report on time (early is best!).
- 2) Upon completion of their event, athletes should gather their warm-ups, etc. & proceed back to their team camp.
- 3) We ask that athletes not loiter on the field nor interfere with the proceedings. Be cognizant of what is going on around you; do not cross the track during events, and no running alongside teammates. That can get your team disqualified. Enthusiasm & support are good, but temper it with common sense & composure.
- 4) You will make all **changes in field events** at the **event area**. It will help the officials/judge if changes are made at least 15 minutes prior to the start of the event (not just your flight, but the event starting time). Please let the judge know if you do not have a team entered today. **Please have your Pole Vault Certification card filled out & turned in to the official working the pole vault before the event begins.**
- 5) Please turn in relay cards/sheets to the press box by 4:15. I have attached a copy of the relay sheet to this email, so you may bring it completed to the meet, rather than frantically trying to fill it out when you arrive. **We do not have a scratch window period, so this is where your scratches/changes can be made.**
If you make changes during the meet, please let the clerk in the bullpen know, and present him with a relay change card with the updated information. As mentioned before, please help (or have an assistant help) with the 4 x 1600 M relay.
- 6) We will use the standard, 8 place scoring system (10-8-6-5-4-3-2-1). JV events will not be counted in the team scores, but ribbons will be awarded based on finishing place. *
- 7) Event winners will receive a Berea Kiwanis Titans Relays T-shirt . 2nd & 3rd place finishers will receive a medal, while 4-8th placers will receive ribbons.

8) **Winners of multiple T-shirts must take the same size each time. We set aside a finite amount of T-shirts for award winners, based on the sizes of the typical athletes in each event. Smaller athletes requesting 2XLs after having received a small shirt earlier throw off the ratios & create sizing issues for those larger athletes. Winners' shirts are for the winning athletes, not their friends.**

- 9) At the conclusion of the meet, multiple MVP awards will be given (Girls/Boys) Sprint MVP, Distance MVP, & Field MVP. We ask the coaches to cast ballots for these awards and assist us in choosing the most deserving recipients.
- 10) ¼" pyramid spikes only on the track; 1/8th for the POLE VAULT RUNWAY.

- 11) Exchange zones may be marked with tennis balls only (no tape or chalk).
- 12) Shot Put & Discus: All implements will be common pool. If you want to use an implement it must be added to the pool @ the start of the event and remain in the pool until the event is completed. ***Weigh-ins for implements will be from 12:30 to 1:15, located at the doors up the ramp at the North end of Finnie Stadium.***
- 13) Long jump will be OPEN PIT again this year. We will run a boys pit & a girls pit at the same time. Jumpers should get their steps marked prior to the 1:30* start of the event. Jumpers will be permitted to take all four jumps in succession if they are competing in another field event. Athletes must inform the event official if they are competing in another field event prior to the start of competition.
- 14) In the high jump, the bar will be held for 5 minutes only. The same is true for the pole vault, with the bar being raised to the next height after the 5 minute hold & cannot be lowered.
- 15) There will be a hospitality room for coaches & officials only after 4:30 on the second floor of the press box.
- 16) Team Trophies for the winning girls & boys team, plus a combined score co-ed trophy to the top team.
- 17) Please feel free to call me or text me @ 440-665-4034, or email me @ rmack@berea.k12.oh.us or richardemack1@gmail.com . Also, there is a Twitter account for the Titan Relays: ***Titans Relays@ TitanRelaysBMHS*** that you can follow for up-to-the-minutes information. Feel free to dm me at that site as well.
