Coaches,

Eastwood will continue to hold the *Eastwood JV Invite*. We think it is a great idea to give this group of athletes a chance to compete against like competition in a big meet environment.

We have had over 150 athletes representing 15 teams. We really don't care if you send 1 or 20 kids. We just want a meet that these athletes can experience great competition and extend their season. This year's meet is **Tuesday, May 9th**. I know May is a busy time with leagues coming up, but we hope you will consider sending a few athletes to this worthwhile meet. There will be a **\$10 entry fee** per team, (\$20 max for both B&G) for this meet this year to cover the starter costs.

I don't have any fancy rules about who is eligible to attend this meet. You know who should be coming to a meet like this. **Certainly no one that will participate in your league meet unless this will help a decision for second spot in your conference or something like that and there should not be any seniors.**

We will be using our Finish Lynx system, so we should be able to base placing on time. (No need for semis). We will need a complete list of entries so I can set up heats and assign lanes. We will limit all teams to one relay team (except 4x800). We feel it is necessary to place a limit of **3 athletes per running event and 4 athletes per field event**. **Email me if you have an extra 4x800m relay team.**

Field events will begin at 4:30 and **running events at 5:30**. Please mark your calendars.

This year I have set up the meet on **Baumspage**. Details are below:

Entry window closes: May 8th – 8:30pm

Scratch/Substitution window – None
