Coaches,

Eastwood will continue to hold the *Eastwood JV Invite*. We think it is a great idea to give this group of athletes a chance to compete against like competition in a big meet environment.

We have had over 150 athletes representing 15 teams. We really don't care if you send 1 or 20 kids. We just want a meet that these athletes can experience great competition and extend their season. This year's meet is **Monday, May 6th** . I know May is a busy time with leagues coming up, but we hope you will consider sending a few athletes to this worthwhile meet.

We will have 1st-3rd place medals this year. They will be awarded at the finish line immediately.

I don't have any fancy rules about who is eligible to attend this meet. You know who should be coming to a meet like this. **Certainly no one that will participate in your league meet unless this will help a decision for second spot in your conference or something like that and there <u>should not be any</u> <u>seniors</u>**.

We will be using our Finish Lynx system, so we should be able to base placing on time. (No need for semis). We will need a complete list of entries so I can set up heats and assign lanes. **We ADDED a 2nd Relay to each relay.** We are going to give it a try this year.   We feel it is necessary to place a limit of **3 athletes per running event and 4 athletes per field event.   Email me if you have an extra 4x800m relay team.**

Field events will begin at 4:30 and **running events at 5:00**. Please mark your calendars.
This year I have set up the meet on **Baumspage**. Details are below:

Entry window closes: May 5th – 8:30pm   Scratch/Substitution window – None

Don't hesitate to call me 419-250-7653 (cell) or email bsabo@eastwoodschools.org with questions

Sincerely,
