

**Eastwood Relays**  
**Eastwood High School**

**Changes for this year.**

- 1. We are going to try a mixed 4x400m relay at the end of the meet. (Girl, Girl, Boy, Boy) Points are split with both genders.**
  
- 2. We moved the order of events and started running at 5:00. This will hopefully allow the meet to be over much sooner than last year.**
  
- 3. We will start with the shuttle hurdles this year, then DMR (8-4-12-16). We figured not as many field eventers would be in this event.**
  
- 4. We are going to use all four rings (2 shot / 2 disc) at the same time. Not all teams will throw out of the same ring. We are wanting to make sure we can still do 4 throws and get the events in before dark.**
  
- 5. I will probably have room for a B team in some relays (1-2). If you think you will have a possibility let me know. For example there will be 2 heats of 4x200.**
  
- 6. Jesse Squire will be interviewing the winner again under tent and Medals will be awarded quickly when we have confirmation.**
  
- 7. We will have food for all coaches under the pressbox.**
  
- 8. We've always wanted to create the greatest experience possible for the athletes. We will attempt to do baskets again, athlete recognition, etc.**
  
- 9. We will reevaluate events for each year.**

Coaches,

We will be running two high jump and pole vault pits. Both events begin at 4:15. Please encourage your athletes to stay at the field events. It would be great if we use the 1 ¼ hours we have before the running events begin to complete a majority of the field events.

Also, could you encourage your athletes not to walk in the stands with their spikes. We have noticed many pin marks in the aluminum bleachers. Tell your athletes about the Eastwood Relay T-Shirts. They will be only \$15.

We have found that assigning teams to exchange zones lessen the burdens on everyone. Here are your assignments. Flags will be in each zone.
