

Coaches,

There will be several changes this year at the Kimberly Relays. First of all the starting time for the meet will be 12:30 for field events and 1:30 for running events. These changes are necessary because Bedford is hosting the SAT test in the morning and parking would be a problem. The abbreviated time schedule also has led to a smaller field of teams. There are 9 boys teams and 11 girls teams.

Since we are starting later the field events will be limited to two athletes per team. Their combined efforts will determine places. Also there will be no pre-lims in the individual running events. All races will be run in sections, when necessary, as timed finals.

As usual all entries will be made on Baumspage. The entry site will open March 21st at noon and will close precisely at noon on April 10th.

Included with this letter is the order of events, which will also be posted on Baumspage.

A hospitality room will be available for coaches and officials.

We are looking forward to seeing you April 12th.

Gordon
