Welcome to the inaugural Otsego Relays, to be held at Otsego High School on Friday, March 31. We will start the field events at 4:30, with running events beginning at 6:00.

This is a Relay-type meet, which means there are no individual events. All events, including running events and field events, will be made up of multiple athletes.

Teams: We will have 7 schools: Ayersville, Lakota, Otsego, Pandora-Gilboa, Van Buren, Vanlue, Wauseon.

Entries: All entries will be done online at www.baumspage.com. The window is already open, and it will close **at 10:00 AM Thursday, March 30**. Feel free to email me with any changes Thursday night, and we will of course accept changes on Friday. The meet will be drawn Thursday evening, and the lane assignments will be put on baumspage.

On the Track: . For all running relays, 4 athletes are needed in each event. Note that there is one mixed gender relay. For that one, you need to enter 2 boys and 2 girls. The girls will run the first two legs, and the boys will run the last two. Points scored will be split between the boys' and girls' teams.

Field Events: All field events will consist of teams of 3. You can enter a team with less than 3, in which case we'll add up the best efforts of the 1 or 2 athletes entered.

Scoring: Since there are 7 teams, scoring will be 10-8-6-4-3-2-1 in all events.

Facilities: We have an 8-lane all-weather track, with all-weather surfaces on the jumping surfaces as well. Please use $\frac{1}{8}$ or $\frac{1}{4}$ inch spikes. Tape is acceptable for marking the jumps, and tennis balls or the like should be used for relays. Please supply your own batons.

Concessions: We will have our concession stand open.

Admission: Admission charge is \$7 for adults and \$5 for students.

Schedule

Field events

All field events will be relays with up to 3 athletes on a team. The team place will be determined by adding the best individual effort from each of the three competing athletes. If there is a tie, the first tie breaker will be the team with the best individual effort. If a tie remains in the vertical events, the next tie breaker will be total number of misses. If the tie still isn't broken, then it's a tie!
