

WALSH JESUIT

JOHN HASENSTAB WARRIOR RELAYS

Dear Coach,

I would like to invite you and your team to participate in the newly named John Hasenstab Warrior Relays. We have re-named the meet to honor former Walsh Jesuit head track and field coach John Hasenstab, who introduced this competition in 1993 and also to celebrate our new track and field facility. In addition to re-naming the meet, we are also going to expand its participation by including **girl's teams** for the first time, thus necessitating the meet to become a **two-day event**. To determine the date of the John Hasenstab Warrior Relays, we always count back eight weeks from the State Meet. As a result, the John Hasenstab Warrior Relays for this upcoming season will be held on Friday and Saturday, April 17 and 18, 2015. This meet allows for maximum team participation which was always John's vision. There are three entries permitted in the field events, eight individual races (one entry per team) and eight relays. Please see the race and time schedule.

Meet registration will be entered using Baum's Page Entry Service. We will use our Lynx Fully Automatic Timing System and meet results will be tabulated and distributed using Hy-Tek Meet Manager.

We are fortunate to have a core of dedicated and experienced officials, parents and alumni to help manage the meet and we are excited to see the meet expand. Our ultimate goal is 16 boy's teams and 16 girl's teams. Meet entry will be granted on a first come first served basis. If you have any questions, please feel free to contact me at any time.

Yours in Running, Throwing, and Jumping,

Patty Ritchie
