## Seeding and Entry Information

### Seeding Information and Criteria:

- A. We will seed the top eight wrestlers in each class and select one alternate.
- B. Seeding will be based on the following criteria:
  1. State Champion
  2. State Place - in order of place.
  3. Catholic Invitational Champion.
  4. District Place - in order of place (\*Must be State Qualifier)
  5. Catholic Invitational Place - in order of place.
  6. Current overall record. (8-match minimum - must have winning percentage.)
- C. Seeds will be determined in order from first to eighth by applying the above criteria.
  1. If criteria #1 to #5 are equal, priority will be given to the wrestler returning in the same or lower weight class.
  2. Ties for winning percentage will be broken by head to head competition, then random draw between wrestlers involved.
  3. Wrestlers that qualify for seeds #1 to #6 must accept the seed. Those that qualify for #7, #8, or the alternate may "pass" on the seed!

### Re-draw Procedure on tournament day:

- A. Once brackets are drawn and printed, there will be no re-draws. However in order to maintain the integrity of the brackets as printed and to be fair to the contestants, the following procedure will be used:
  1. Seeded wrestlers will be rotated up to their appropriate line, and the replacement from their team placed on the line of the alternate.
  2. Non-seeded wrestlers lines on the bracket will become byes if a bye is legal.
  3. If a bye is not permitted, a coin flip (or series of flips) will determine which line will become a bye, and which wrestler must be moved to make the bracket legal.
  4. The over-all goal will be to maintain the integrity of the bracket in the simplest and fairest way possible.
