E-mail: [jeff.wiederhold@wilmington.k12.oh.us](mailto:jeff.wiederhold@wilmington.k12.oh.us)

**Safety Measures:** Each Sectional will be assigned a specific section of the bleachers. Teams are allowed no more than 4 people as part of their coaching staff. That includes statisticians, video, etc. 4 is the max number per team. We will assign weight classes to a mat for the entire day. After the completion of each round, we will take a short 5-10-minute break to sanitize the mats. This also allows the athletes to receive the proper break between matches. To follow social distancing requirements, we will run 3 mats. This gives ample room for athletes to warm up and not be crowded together. We are going to do everything we can to follow protocols set in place to ensure that our kids can have the best tournament they possibly can.

**Spectators:** In order to comply with state and local health guidelines, we are allowing 2 fans per wrestler per session. This will allow athletes and necessary tournament personnel to stay socially distant. We will get information out to each coach as we get closer to the date about how parents can live stream the event. Masks must be worn by wrestlers and coaches. Wrestlers do not have to wear a mask while wrestling.

**Symptoms Check:** As required by the state guidelines, coaches, please do a symptoms and temperature check with your wrestlers before you leave your school. If you have any wrestler not feeling well, please do not bring him or her. We all want to do our part and make this tournament successful.

**Wrestler Entry:** We will be using Baumspage for this event. Coaches will be able to enter their roster until February 25, 2021 @7:00 P.M.

**Seeding Criteria:** District placer, district qualifier, sectional placer, this seasons varsity record.

**Food:** We will have a concession stand and we will be allowing team tables.

**Questions:** Contact Jeff Wiederhold at 937-725-5059 or email [jeff.wiederhold@wilmington.k12.oh.us](mailto:jeff.wiederhold@wilmington.k12.oh.us)
