Safety Measures: Each Sectional will be assigned a specific section of the bleachers. Teams are allowed no more than 4 people as part of their coaching staff. That includes statisticians, video, etc. 4 is the max number per team. We will assign weight classes to a mat for the entire day. After the completion of each round, we will take a short 5-10-minute break to sanitize the mats. This also allows the athletes to receive the proper break between matches. To follow social distancing requirements, we will run 3 mats. This gives ample room for athletes to warm up and not be crowded together. We are going to do everything we can to follow protocols set in place to ensure that our kids can have the best tournament they possibly can.

Spectators: In order to comply with state and local health guidelines, we are allowing 2 fans per wrestler on Thursday and Friday. Qualifiers for Saturday will be allowed four fans. This will allow athletes and necessary tournament personnel to stay socially distant. Parents can live stream the event at [Campusnation.com](http://Campusnation.com). **Tickets will be electronically distributed and purchased via [hometownticketing.com](http://hometownticketing.com)**

Masks must be worn by workers, fans, wrestlers and coaches. Wrestlers do not have to wear a mask while wrestling.

Symptoms Check: As required by the state guidelines, coaches, please do a symptom and temperature check with your wrestlers before you leave your school. If you have any wrestler not feeling well, please do not bring him or her. We all want to do our part and make this tournament successful. **Bring the completed attached form to check in each session.**

Wrestler Entry: Top four qualify from Licking Valley, Batavia, Clinton Massie and Graham sectionals. **Alternates will be admitted if notified they are replacing someone before weigh-ins begin. No alternates will be admitted if they are not wrestling in the tournament. The SWDAB is still working on what to do with the alternates. At this time there could be Byes on the bracket.**

Food: **We will not be allowing any team tables. We ask that each wrestler bring their own individual food that they can eat in their teams assigned section of the bleachers.**
