

The passing of every old man or woman means the passing of some tradition, some knowledge of those wrestlers and matches that were possessed by no other. Consequently, the information that is to be gathered for the benefit of future generations of wrestlers and their fans must be collected at once or the opportunity will be lost for all time.

In addition to the several fine, endearing and dedicated adults at the scoring tables, we want to acknowledge the excellent “Little Sis” program under the guidance of Mrs. Mariann Munn. We believe these girls are the hardest working and most dedicated girls on the planet. Every year they do a fine job working the score tables and also assist in the “*Parade of Champion*”. Just as it takes a pit crew to get that one race car out onto the track and just as it takes a ground crew to get that one plane up into the air, this crew drives and flies this tournament. Aurora’s “Little Sis” girls are our pit crew and ground crew. Thanks to each of you.

CHAGRIN VALLEY CONFERENCE WRESTLING CHAMPIONSHIPS
STATISTICS AND RECORDS THROUGH 2009

The Chagrin Valley Conference was realigned in 1997 to form a new conference consisting of eight teams. They were:

Aurora, Berkshire, Cardinal, Chagrin Falls, Hawken, Kirtland, Perry and Wickliffe.

Two years later, in 1999 the CVC expanded to twelve teams with welcomed addition of:

Grand Valley, Newbury, Orange and West Geauga.

Five years later, in 2004 Newbury dropped out of the wrestling competition in the CVC tournament and would also not compete in 2005, but reentered the competition in 2006.

2006 was a banner year for the Chagrin Valley Conference with the addition of six additional teams: *Beachwood, Cuyahoga Heights, Kenston, Independence, Richmond Heights and Fairport Harbor.*

Although Fairport Harbor joined the conference, the school would not enter the wrestling tournament competition until 2008. Richmond Hts. did not compete in 2008 or 2009..

The CVC Wrestling Championships are hosted alphabetically, and since Aurora starts with an "A" is again hosting the tournament this year. Seriously though, Aurora High School has hosted this tournament every year since 1997 except one. In 1998 Perry High School also did an excellent job hosting the event. Perry will be hosting next year's championships for 2010.

. On a sad note, Richmond Heights, a school rich in wrestling tradition, has dropped the sport, and therefore will not be competing in this event. On a positive note, Fairport Harbor is competing in the event for the second time. We wish them success as they continue to grow their program.

The "Records and Statistics" as well as the "Media Guide" is an effort to compile the history of the CVC Wrestling Tournament. All statistics and information has been assembled and provided by our tournament historian, Mr. Daniel Loy. Dan has been a fixture at this event the entire thirteen years. He has administered the event, ran the computer, developed the parade of champions, and trouble shot the many situations that arose.

Worth the price of admission, this match had a two time State placer and returning state champion and two time CVC Champion Ty Mitch of Aurora going against three time State placer and returning CVC Champion Nate Westfall of Perry. The CVC recognizes both boys for wrestling the kind of match and being the kind of wrestlers the CVC can be proud of. NICE GOING!

23	5)	Mike Grande (23-36)	140 lbs.	Kirtland	2003

I decided to keep this article in the program for obvious reasons. Directors note: (from 2003)

Greg Whitmore not only broke the old record of 26 points scored by one wrestler in a regulation six minute match, he demolished it. Greg broke the record by ten points. The amazing thing is that his opponent **Mike Grande** nearly broke the old record also, by scoring 23 points to become the 4th highest scorer in the CVC Tournaments.

While Mike Grande scored three takedowns, one escape, four reversals, one 2 point near fall and two 3 point near falls, Greg Whitmore was busy scoring seven takedowns, four escapes, two reversals, one 2 point near fall and four 3 point near falls for a major decision. It was history in the making and a match that will certainly be talked about for years to come. It was indeed a match for the ages. And no! There were no stalling calls.

Score after the 1st period was Mike Grande 14 Greg Whitmore 9

Greg went ahead midway through the 2nd period

Score after the 2nd period was Greg Whitmore 25 Mike Grande 18

Score at the final buzzer was Greg Whitmore 36 Mike Grande 23

Thank you Greg and Mike for this remarkable match.

CHAGRIN VALLEY CONFERENCE WRESTLING CHAMPIONSHIPS
STATISTICS AND RECORDS THROUGH 2009

A few hours before the 2007 Finals, Coach Dick Bliss asked me to write up something for an announcement. Not sure exactly what he wanted, I called my oldest son and together we came up with this. I read it during the *Parade of Champions* to the music of the Olympic horns trumpeting as the finalists took center stage.

Daniel Loy danpsh@yahoo.com Dan Loy Jr. loydan@hotmail.com

To My Opponent...

I knew I would face you tonight, so I have out trained you.
I knew you were smart, so I have out-learned you.
I knew you have worked hard, so I have worked harder.
You are a worthy opponent, but I want this victory more and I will not allow you to take what I have earned.

Some wrestlers take it easy in practice. It shows. They aren't here now.
Other wrestlers quit when it starts to hurt. I persevere because the pain will go away.
Some wrestlers look for glory in defeat and they insult a winning effort.
They say they could've been as good as me, but they won't because I will always work harder.

My family and friends cheer for me, but they will never really understand what I've done to get here.
They won't really know why having my arm raised in victory is worth all that sacrifice.

I don't believe my mom when she tells me how great I am because I'm not finished yet.

My coaches and teammates will share my victory, but they will not feel it the same way I do. They helped me get here, and I am greatfull, but when the match is over, when the gym is finally silent, when the sweat is dry and the wounds are healed, I will be the only one who can say...

“I am a Champion!”
