High School Seed Process

Coaches:

On behalf of our Oviedo coaching staff and the Zac Jarzynka tourney planning staff, I want to thank you for attending this year's tourney...the toughest high school tourney competed in the state of Florida.

As you can imagine, a tourney of this stature with so many teams from various states with high credentials comes with seeding challenges to do it right and fairly. To that end, our staff has employed a system that meets those challenges of right and fair. It is the same system we used for the last several years of this tournament.

Our seeding for the tourney will be done online at:

www.baumspage.com Once there, look for **Wrestling**, and then select [Brute/Zac Zarzynka Sunshine Classic - Oviedo, FL](#). Follow the instructions from there to apply for an account and enter your team roster and applicable seeding info.

It is a system that is utilized throughout many tourneys in Ohio and one our team was a participant in in taking our team to an Ohio tourney a few years back. It works great and is time-tested. When you first go to the link above you will see a place to [Apply](#) for an account. Once you do that, you will have an account to enter your roster and requisite info. In the state of Florida, our state series consists of a three step process we call District, Region, and State. If your state name for the same differs, then please just adjust and enter your data to the equivalent (for example, in Ohio it is called Sectional, District, State).

Entry window closes precisely at 1:00 PM EST on Saturday, December 27! This is absolutely and extremely important! If you do not have your team roster and data entered by this close out date and time, your wrestlers will not be considered for seeding. At 1:00 pm on Dec 27, this website will go away for entries input.

**BRUTE - ZAK JARZYKA
SUNSHINE WRESTLING CLASSIC**

Now, knowing we have many wrestlers of high caliber that have many similar in-state credentials, I need to gather further info from each coach to further separate those wrestlers in weight classes where I have several State Champions and placers. Having said that, here is what I need from you please for wrestlers on your team as it applies (send to me via email at jetscoop@msn.com):

- Fargo Placement (Cadet or Junior, year, weight class)
- FILA Juniors Placement (year, weight class)
- FILA Cadets Placement (year, weight class)
- NHSCA Junior Nationals (weight class)...this is the tourney held in the spring and not the NHSCA Pre-season tourney

I will need this additional info by the same deadline as mentioned above, **Saturday, December 27** - please send it to me in an email (jetscoop@msn.com). A tourney committee seeding meeting will take place on Dec 27 to put together the tourney brackets. At the coaches meeting on Dec 29, we will make minimal adjustments on a case-by-case basis to get the tourney started on time.

If any questions, pls email me or call me on my cell at 407-493-9229.

Please see the attached for further information from the Baum's Page director, Gary Baumgartner.

Thanks again for attending.

Respectfully,
Tom Coffman
