

Riverside Rumble Wrestling Invitational

Date of Tournament: Dec. 15-16, 2023

Location: Riverside High School Field House (585 Riverside Drive, Painesville, OH 44077)

Fee: \$450 payable to Riverside Local Schools

Team List: Boardman, Brecksville-Broadview Heights, Brush, Cleveland Central Catholic, Conneaut, Fairview, Geneva, GlenOak, Indian Valley, Jackson-Milton, Jefferson Area, Lakeside, Lorain, Eastlake North, Norwin Senior, Orange, Ravenna, Saint John, University

Format: This will be a Pool to Bracket Tournament held on five mats in the Riverside HS Field House.

- 16-man pool tournament divided into 4 four-wrestler pools. Up to eight wrestlers will be seeded and the remaining wrestlers will be drawn randomly.
- Pools featuring less than 16 wrestlers will be arranged according to a predetermined format.
- A team may enter two or more wrestlers in a weight class if byes exist. They will be drawn randomly if more than one team has an extra wrestler. [The 2nd wrestler can place but not score]
- The top two wrestlers in each pool (depending on the number of pools) qualify for the eight wrestler double elimination championship bracket tournament to be contested on Saturday. In the event of any ties or weight classes with low numbers, we will follow a designated criterion for advancement that begins with, of course, head-to-head competition.
- Wrestlers who do not qualify for the Championship Bracket on Saturday will qualify for the single elimination Beaver Consolation Bracket tournament that will also be contested on Saturday.
- Only if there are 17+ varsity wrestlers from scoring teams, we will run up to a 5 man round robin section with those varsity wrestlers and extras. Scores will be added to team totals and rounds will be wrestled between sections of the main tournament to mimic the same scoring options as the main tournament. We do not foresee this being the norm, but rather the exception.

Seeding: We will seed the pools according to the following criteria:

1. Previous State Tournament placement.
2. Previous District Tournament placement.
3. 2022-2023 overall varsity won/loss record by percentage (.500 or better), minimum of 15 matches.
4. If a tie in winning percentage exists based on criteria #3, then the higher seed goes to the wrestler with the most victories. Please note that once a wrestler has been designated for a weight class on your seeding/roster sheet, no changes will be accepted after the final adjustment period ending on Wednesday, December 13th. In other words, once designated for a weight class, a wrestler cannot weigh-in for a different weight class on Friday. Substitutions and scratches will be accepted up to noon on Dec. 13th. We will make every attempt to fill spots with extras. If two wrestlers from the same team are designated for the same weight class, the

second wrestler can be substituted in place of the first wrestler (so long as the second wrestler makes the designated weight), but seeds within the pools will not be redrawn. It does not hurt to weigh-in additional wrestlers for the same weight class just in case a slot opens up. Enter roster and seeds on Baumspage.com. Special note: Final seeding will occur after weigh-ins at the tournament. Please refer to the following timeline listed later in this memorandum.

Awards:

- Trophies for the First and Second place teams.
- Plaques for the 1st through 2nd place finishers in each weight class of the championship bracket.
- Medals for 3rd and 6th placers in the championship bracket.
- Plaque for the Most Valuable Wrestler.
