

How To Buy Tickets for Troy HS and Troy JH Home Athletic Events?

Option 1: Online

Tickets/passes can be purchased in advance online through our athletic website! Purchase individual game tickets at <https://trojtrojansathletics.com/> Click on **Ticket Spicket at the top of home page** and select the game you wish to attend. Complete the purchase and present your digital ticket/pass at the gate or print a paper ticket to use.

In addition, fans can also visit <https://spicket.events/troytrojans-fastlane> on the day of the game to have their ticket(s) sent to their smartphone by entering their cell phone number.

Option 2: Ticket Spicket App

Ticket Spicket has an app for [Android](#) and [Apple](#) devices to purchase tickets/passes as well! Download the Ticket Spicket app, search for **Troy City Schools** for both high school & Jr high school events, complete your purchase and present your digital ticket/pass at the gate directly from the app.

Option 3: At The Gate

Fans that do not purchase a digital ticket online at home can use their smartphone to scan a QR code at the gate to purchase a ticket using their debit/credit card. Cash sales & paper tickets will be available for purchase at the gate. **However, online ticket purchases will allow fans to avoid waiting in line at the gate.**
