- 12.2 Family matters necessitate a wrestler being withdrawn.
- 12.3 Medical or illness occurs. Not passing the skin check is a medical matter.

- 12.6 The alternate may be placed on the bracket up until the time that weigh-ins end. The alternate shall be the next highest finisher from the previous tournament. The alternate shall be placed on the vacated line of the bracket.

The Alternate selection procedure is as follows: *Updated January 2024*****

1. Alternate – Regional 5th Place: Prior to the scheduled start of Session 1 of the Girls State Tournament, if one qualifying wrestler from a regional is unable to wrestle, the 5th place wrestler from that regional shall be placed on the vacated bracket line in the 1st round. If the 5th place wrestler from the corresponding regional with the vacated spot is unable to wrestle, 5th place alternates from the remaining regionals become eligible for the vacated bracket line. If only 1 alternate is able to wrestle, she is placed on the bracket line. Otherwise, a coin flip (2 alternates) or random draw (3 alternates) determines which alternate is placed. No other wrestler is moved on the bracket.

2. Alternate – Other Pre-Regional 5th Place: If the 5th place wrestler from the pre-regional with the vacated spot is unable to wrestle at their Regional, 5th place alternates from the remaining pre-regionals become eligible for the vacated bracket line. If only 1 alternate is able to wrestle, she is placed on the bracket line. Otherwise, a coin flip (2 alternates) or random draw (3 alternates) determines which alternate is placed. No other wrestler is moved on the bracket.

3. Alternate – Multiple from Same Pre-Regional / Regional: If more than 1 wrestler from a pre-regional / regional in the same weight class is unable to wrestle, a coin flip (2 alternates) or random draw (3 alternates) determines on which bracket line the alternates are placed. No other wrestler is moved on the bracket.

4. Alternate – Bye/No Alternates: A Bye is placed on the bracket for a wrestler who fails to make weight and no alternate is available.

5. Alternate – Less than 4 Placers at Pre-Regional: If there are less than 4 placers from a pre-regional, 5th place alternates from the remaining pre-regionals become eligible for the vacated bracket line/lines. If only 1 alternate is able to wrestle, she is placed on the bracket line. Otherwise, a coin-flip (2 alternates) or random draw (3 alternates) determines which alternate is placed. If there are not enough 5th place alternates available to fill the bracket, the 6th place alternates from the remaining pre-regionals become eligible for the vacated bracket lines.

13. State Draw

The state draw will be conducted by the Executive Director's office prior to the regional tournaments according to the following criteria:

- C. Pairings are balanced.
- D. Returning **OHSAA** state placers that finished either 1st, 2nd or 3rd the previous year will be separated in accordance with their previous place provided they qualify for the State

Tournament as a Regional Champion.

No expenses will be paid nor complimentary admission passes granted to alternates unless they participate.
- (d) If there is no alternate available, that first round match will be considered a bye. Advancement because of such byes shall be scored according to NFHS Rule.

Addendum A

Match Limitation Policy for One-Day **Pre-Regional** Tournaments

Per National Federation Rule 1.4.3 EXCEPTION, no wrestler shall wrestle in more than six matches championship or consolation, excluding forfeits in any one day of competition. **There will not be a Third or Fifth Place match if either wrestler has already wrestled 6 times.**

Per National Federation Casebook -- If one wrestler had wrestled in five matches and the other wrestler in six matches, then the wrestler with five matches would be the winner by forfeit. **The match must be scored by NFHS Rule: The wrestler who has not wrestled 6 times will place Third or Fifth by forfeit. If both wrestlers have wrestled 6 times, there will be no match and no points will be awarded.**

If there is no third-place finisher determined by physical wrestling in the **pre-regional tournament, both wrestlers will advance to the state tournament.** The following criteria will be used to determine their placement on the bracket for the state tournament. If the first item listed does not decide the placement, the next item(s) will be considered until a winner has been determined. **If there is no fifth- place finisher determined by physical wrestling in the **pre-regional**, the same criteria will be used to determine the alternate.**

1. The wrestler who has been penalized the least number of points for unsportsmanlike conduct throughout the **pre-regional** tournament shall be declared the winner of the placement position.
2. If the wrestlers have met previously in the **pre-regional** tournament, the winner of that match will be the winner of the placement position.
3. **Point values based on the quality of matches wrestled will be added to determine who has the greater number of points.**

	Points	Total
Win(s) by fall, forfeit, default, or disqualification	5	
Win(s) by technical fall	4	
Win(s) by major decision	3	
Win(s) by regular decision	2	
Loss(es) by regular decision	1	
Loss(es) by a major decision	½	

The wrestler with the greater total points will be the winner of the placement position.

4. The wrestler who has won by the most falls/defaults/disqualifications during the **pre-regional** tournament shall be the winner of the placement position.
5. The wrestler who has won by the most technical falls through the **pre-regional** tournament shall be the winner of the placement position.
6. The wrestler with the most wins by major decisions through the **pre-regional** tournament shall be the winner of the placement position.
7. The wrestler who has scored the greater number of items listed below will be the winner of the placement position. These shall be considered **one line at a time** until a winner is determined.
 - a. Greater number of near falls
 - b. Greater number of takedowns
 - c. Greater number of reversals
 - d. Greater number of escapes
 - e. Penalized the least for stalling
 - f. Warned the least for stalling.
8. If all items listed (items 1-7) fail to determine a winner, the tournament manager will use a coin flip to determine the winner of the placement position.

Weight Classes with 25 or More Wrestlers

1. If a weight class has 25 or more wrestlers, then a wrestler may need to wrestle an eighth match to complete the consolation bracket.
2. If a wrestler wins her sixth match in the consolation bracket to reach the consolation semifinals, then NFHS Rule will prevail.
