

INSTRUCTION SHEET

1. There is no need to scratch runners who do not run or move runners from one race to another. **Only runners who have been registered prior to today will be allowed to run.**
2. Refer to the number assignment sheet. **BE SURE TO GIVE EACH RUNNER THE ASSIGNED NUMBER.** A runner wearing the incorrect number will result in the wrong name being printed in the results for your school. You do not need to fill out the bottom portion of the tag.
3. Give each runner his/her assigned tag and 4 safety pins. **Tags should be pinned to the front of the jersey. Do not pin through the bottom big hole.**
4. Runners no longer need to turn in a finish card and you do not need to turn in anything either.
5. The JV and OPEN races are combined into one race. Any number may run in this race. We will still give JV team awards.
6. You may run any number of runners up to **9** in the varsity races. There will only be two displacers used in the scoring of the races. Eighth and ninth place finishers will not affect the team scores.
7. It is your responsibility to make certain that your runners know the course. Make certain that all their questions are answered prior to the race. Runners not running the entire course will be disqualified.
8. The results will be posted on our web site. The web address is www.baumspage.com. Individual awards will still be handed out in the chute. This should allow us to get the results of the varsity races to you much quicker. **If your team finishes in the top 3 in any race, pick up your team award at the tent at the end of the chute. There will not be an award ceremony.**
