General Information

Our campus provides a 5K (3.1 mile) course that has been accurately measured. The two-loop course is well-marked with colored poles at all turns. More than 80% of the course is visible from the central plateau. Most athletes have been wearing 1/4" to 3/8" spikes, depending on weather.

Registration and packet pick-up will be conducted at the **registration tent in the southern** corner of Glenwood Jr. High's parking lot. **Bus parking** is accessed through the driveway just north of the wooded area on Glenwood Avenue and is marked on the map.

To have a successful meet, we are asking you to provide your athletes with the following information:

1. **Contestant Materials & Verification Form:** To obtain your packet, you must present a signed copy of the OHSAA Cross Country Coach's Verification Form (download from Baumspage.com, print & sign). Packets will not be distributed before the morning of the meet – *but all forms and information will be available at Baumspage.com.*
2. **Results:** *Preliminary & Unofficial Results* will be posted to www.baumspage.com immediately after each race. Coaches will have 30 minutes after release of the results to file an appeal with the Referee. Official results will be read over the loudspeaker after the appeals period is over and the Referee has certified the results.
3. **Course Inspection:** Qualifiers may inspect the cross country course beginning at 2:00 p.m. weekdays. **Athletes are NOT permitted to enter either of the school buildings.** On meet day, the course may be inspected from 7:30 am until 8:45 am and between races. The course must be cleared 5 minutes prior to the start of the next race.
4. **Contestant Numbers:** Contestant numbers and pins will be provided in your packet. Numbers must be worn on the **FRONT** of each contestant and securely fastened with four pins. **Every athlete must run with the assigned number**
5. **Contestant Chips:** Chips will be provided in your packet. Chips must be securely fastened (double-knotted) to **EACH** shoe on **EACH** athlete. Coaches are responsible for zip ties if their athletes have laceless shoes. Every athlete must run with his/her assigned chips (the number on the chip matches the contestant's bib number.) **Chips should be returned by the coach to Chip Tent next to registration before leaving the property.**

6. **COACHES' RESPONSIBILITY:** IT IS THE RESPONSIBILITY OF EACH HEAD COACH TO ENSURE THAT EACH ATHLETE WEARS THE ASSIGNED BIB NUMBER AND CHIP.
7. **NON-RETURNED CHIPS:** Coaches are responsible for all chips not returned by the end of the meet. Schools will be billed \$25 for each chip not returned.
8. **Awards:** To reduce crowding, please assign one coach to pick up your team's awards.
9. **Uniforms:** Please review the **OHSAA Uniform Regulation Checklist** (*available at Baumspage.com*) and all current uniform rules with your athletes. Athletes who compete in an illegal uniform are in violation of these rules and are subject to disqualification. It is the responsibility of the athletes and coach to have each competitor dressed properly according to rule before competition begins. **The start of a race will not be delayed to permit an athlete to change into a legal uniform.** All final decisions about uniforms rest with the Tournament Referee.
