Starting Boxes

Starting box assignments are attached.

Coach's Packet

The only thing in the coach's packet will be the bibs, safety pins, and timing chips. All other documents will be emailed to you. Please come prepared with course maps, uniform verifications, athlete waivers, etc. We will have extras but it will expedite the check-in process if these things are brought by the coaches.

Runners not Competing

Runners listed on the roster but are not in the Top 7 will be admitted free of charge if they ride on the team bus. The NWDAB has encouraged teams to bring these runners to cheer on their teammates.

Course Maps and Bus Parking

The course map is attached. Attached is a bus parking map. Please forward this information to your transportation supervisor to ensure that the bus drivers know where to drop-off and park.

Concessions

Full-service concessions will be provided in the red barn adjacent to the stage at the front entrance of Leaders Farms. Food, drinks, snacks, and other goodies will be available for purchase.

Awards

The NWDAB provides awards for the 1st and 2nd place teams. We will present them 10 minutes after the results have been posted and become official. Those teams can accept their award at the stage. We will also be recognizing the Top-16 Individuals of each race and they can gather to be recognized on stage, as well.

Restrooms

Port-O-Potties will be available in 2 areas for spectators to use. One area is to the south of the stage and the other will be near the starting line. Please allow for student-athletes who are competing to “cut” in line should they be pressed for time.

Weather/Fog

Should there be any inclement weather, we will follow the OHSAA guidelines. All athletes will return to their school transportation vehicle and spectators will be directed back to their car. If there is fog the morning of the event, an alternative schedule will be provided and communicated via email. Please check email before departure.
