Dear Coaches/Athletic Directors:

Southeastern High School is pleased to be the host site of the Southeast District Cross Country Championship races in Division II and III on Saturday, October 24 2020. Many of you have participated during the past 15 years in our Aaron Reed Memorial Invitational Cross Country meet. (This invitational is in honor of Aaron Reed, a former runner for Southeastern who lost his life while fighting in Iraq.) The cross country course at Southeastern consists of a few rolling hills while running around the Southeastern campus.

The schedule for October 24 will be as follows:

10:00 D III High School Girls

11:00 D III High School Boys

2:00 D II High School Girls

3:00 D II High School Boys

Notice there will be a split session this year between the D III races in the morning and the D II races in the afternoon. This was a decision made by the Southeast District Athletic Board to accommodate as many parents and spectators as possible due to the COVID attendance restrictions. All tickets for each event (Both the D III and D II races) will be \$8.00 and must be purchased online through the OHSAA Hometown ticketing website. No tickets will be sold at Southeastern High School.

Terry Young will be timing and scoring all of the District races. Coaches should Contact Terry Young at terry@baumspage.com or 740-517-0195 should you have any questions regarding entries. I will provide you with more information as it becomes available. Feel free to contact me by phone or at the email address listed below. Looking forward to seeing everyone on October 24.
