

Here is a message from our Athletic Director regarding ticketing for the event:

Good morning,

Here is our parking pass protocol for this year's event! Please share with your coaches and families:

All Marietta ticketing this year will be Pre-Sale using HomeTown Ticketing.

<https://www.mariettacityschools.k12.oh.us/page/athletics>

On our school site, parents will scroll down to Tickets which is located on the right-hand side. They will find their specific event and select the "Get Passes" then choose their quantity and select "Checkout" You only need one parking pass per vehicle. **YOU DO NOT NEED A TICKET TO ATTEND, JUST A PARKING PASS FOR YOUR VEHICLE.** Then, follow the prompts to purchase your pass. When they arrive the morning of the event, they can either bring their phone with the emailed pass and QR code that was sent to them OR they can print off the pass and bring those to be scanned. It works just like a professional sporting event or concert. Masks are optional at this time.

If the event is cancelled for any reason, your passes can be used for the rescheduled date. If an event cannot be rescheduled, you will be refunded the cost of the pass. Refunds will not be granted for any other reason.

Please contact the Marietta Athletic Department with any questions:

740-374-6542

Thanks so much!

Thank you,

Cody Venderlic
