Entries

Check the list of runners included in the packet. If you have any additions, changes, or misspellings, please report them to the workers. Drops do not need to be reported.

Race Numbers

Each of your runners is assigned a number, which you'll find on your roster. Make sure you use the number in the column marked "Comp#." Coaches should mark each of their own runners with a marker on their RIGHT HAND as shown.

Please be sure to mark your athletes clearly & consistently. It is very important that the finish line personnel can read off the numbers & move the runners smoothly through the chute.

General Information

- Because of the pandemic, we are, of course, required to run things a bit differently than normal.
 - 8 runners are allowed in each varsity race, and 9 runners are allowed in each open race
