### Spectator Parking – Admission Fee

There is a \$5.00 charge per vehicle to attend the invitational.

All spectator parking will be at Eaton High School/Middle School, just down from Fort St. Clair Park. There will be three entrances into the parking areas. There will be a shuttle bus to transport spectators to and from the park if spectators do not wish to walk. Coaches, please inform your spectators to arrive with extra time as backups are always a possibility once the meet begins.

### Team Drop-Off / Parking Information

**Buses** will be directed to unload athletes in the designated team drop off area once your bus enters Fort St. Clair Park. Once your team has unloaded then the bus should proceed and park in the designated bus parking area in the lower section of the park. Once your team is finished racing, and ready to depart for home, we ask that your team preferably walk to the location your bus is parked rather than have your driver pull back through the fort and hold up newly arrived team buses that have athletes competing in the races scheduled for later in the morning or early afternoon. Coaches we greatly appreciate your cooperation and communication with your drivers regarding the parking at Fort St. Clair Park.

**Team School Vans** will be directed to park and unload in the same location. Like the buses, once your races are complete and you are ready to leave, please have your students walk back to the team van parking area to load up. Only school vans, like the school buses will be permitted to enter the park.
