Parking

All parking for this meet will be in Fort St. Clair Park. There is plenty of parking space available for this meet in both the upper and lower sections of the park. Instruct your parents that if there is not a place to park around the finish line /starting line area, don't panic, all they have to do is drive around the park road and park in the lower section of the park. Then it is just a short walk to the upper section of the park for the races.

Your team bus should drop of athletes and drive to the lower portion of the park to park the bus. When the races are over the driver can either bring the bus back to the upper level of the park or your athletes can walk down to load up and leave the park.

Results

Race results will be posted on both www.baumspage.com and www.eatonxcmeets.com
