

2019 FLC Championship  
Meet Information

**Date** Saturday October 12th, 2019

**Location:** Jackson Middle School -(7355 Mudbrook St NW Massillon, Ohio)

**Parking:** Buses will drop off runners near the main entrance to JMMS and proceed to park at Sauder Elementary which is on the West side of the Football Stadium. Spectator parking will also be located on the West Side of the school where you park for football games. People will be able to cut through the football stadium to access the entrance onto the cross country course. (See the attached Parking PDF)

**Ticket information:** Please share this all of your parents. The Federal League will be charging the adopted ticket price for all Federal League Events of \$7 for adults and \$4 for students. This money will be going to the league, not Jackson High School. Please keep in mind that all of our cross country programs benefit from being part of the Federal League and the money is going indirectly to all of our programs.

We will have a tent set up at the main entrance to the course with several ticket takers to make the process go smoothly. If spectators have exact change that will help keep things moving along and we will accept checks (Jackson Local Schools - we will deposit the checks but the money will be sent to the league). We will not have the capability of processing credit cards. We do advise arriving early to avoid any issues of potentially missing out on what we hope will be a great event for all.
