\*\*\*\*\* Because of Covid-19 the Federal League is going to use the online ticketing system from Lake High School to purchase tickets to the FLC Championship meet. **The high school meets and the middle school meets are separate tickets.** High School parents will be asked to exit the course after the last high school race. Gates will open 45 minutes before the first race of each session.

All tickets online: [www.bluestreaksathletics.com/event-tickets](http://www.bluestreaksathletics.com/event-tickets)

All Tickets are \$7.00 per ticket. That is for both middle school and high school **no tickets will be sold at the event.** The Federal League has adopted this policy and all of the money will be going to the league, not Jackson High School. Please keep in mind that all of our cross country programs benefit from being part of the Federal League and the money is going indirectly to all of our programs. We will clear the course between high school and middle school meets.
