

Genoa Cross Country

The Battle of Turtle Creek

September 18, 2021

2980 N. Genoa-Clay Center Rd, Genoa, OH 43430

\$5.00 for Parking

Thank you for participating in the fifth annual “Battle of Turtle Creek”! We take pride in creating a classic cross country course that includes hills, a creek crossing, and not a single inch of pavement. The course is run on the grounds of the Genoa School complex and the adjoining property. All divisions will compete in one race, and all teams have an unlimited amount of athlete entries (there is no open race).

After the middle and high school races, there will be a Kids Mile race open to PreK through sixth graders. The morning will culminate in a 5k race for alumni, community members, coaches, parents, and anyone else who wants to experience the excitement of Ohio cross country!

Timing by Greater Cleveland XC Racing, with results posted on Baumspage.
