Middle School: Team Champion (Boys and Girls)

Individual Varsity – Top 25 Individuals (Boys and Girls)
JV/Open – Top 25 Individuals (Boys and Girls)
Middle School – Top 25 Individuals (Boys and Girls)

Awards

Awards will be distributed under the white tent in the center of the football field. We ask that once the results have been finalized that you pick up your teams awards at the white tent.

Results

Results for each meet will be posted under the main entrance into the stadium as soon as the timing company has them completed. Once posted you will have 30 minutes to check the results to verify that there have been no errors made. After 30 minutes the results will be final and we will then have copies made for distribution to coaches (one packet per team please). We will also attempt to have the results posted to www.athlinks.com throughout the day.

Coaches Hospitality

The Eagle Cross Country Parent Group will be providing a coaches' hospitality area for all coaches. Show your wristband in order to enter the hospitality area.

First Aid

The First Aid tent will be located near the finish line inside of the football field. We will also have trainers located throughout the course. If you have a runner that is in distress throughout the day please alert the nearest trainer.

We hope that you have enjoyable experience today! Good Luck!!
