

2022 Jackson-Milton Invitational

Saturday October 8th, 2022

Location: Jackson-Milton High School - 13910 Mahoning Ave, North Jackson, OH 44451

Race	Time
Coaches Meeting	8:15 AM (At the finish line)
Senior Recognition	8:20 (At the finish line)
Pre Middle School (5th and 6th) Boys and Girls	8:30AM
High School Girls	9:00 AM*
High School Boys	9:30 AM*
Middle School Girls	10:00 AM*
Middle School Boys	10:30 AM*
Awards Ceremony	11:00 (or immediately following the conclusion of the races and finalization of the scoring)

\*We will use a rolling start after the first race is completed. If everyone is finished and the next runners are at the line ready to begin we will start those races early. Make sure to report to the start early.

### **Parking**

When arriving at Jackson-Milton High School buses may park at the bus parking lot in the very front of the High School. Once you pull in at the sign it is the lot immediately to the left. You may unload and walk to the left of the school towards the track fence area to find an area to set up a team camp. Anywhere within the grass area between the school and the track (that is not on part of the course) is available for team camps.

Spectators may park in the middle or back parking lots and may walk around the back of the school building towards the race area. Please inform spectators that they need to stay out of the fenced in track area at all times (no part of our course will be inside of the fenced in track).

Upon arriving, please send a coach to pick up race packets at the finish line, or during the 8:30 coaches meeting.

### **Awards**

Awards will be the same for all 4 of the races:

- 1st place overall team - plaque
- 2nd place overall team - plaque
- 1st-24th place individual finisher - ribbons
- NEW THIS YEAR!! Top finisher shirts (the same shirts we will be selling at the meet with added top finisher on the back to the winner of each race)!

There will be a very short awards ceremony at the end of the last race to pass out the team awards (top 2 teams for each race). Winners of the races will receive their shirts at the end ceremony also. Ribbons will be passed out to runners as they finish their race.

### Scoring

**NEW THIS YEAR** We are now on BAUMSPAGE!! We will be using race chip timing during the meet with live results throughout the meet through second sole. Please make sure to have rosters submitted to Baumspage by the appropriate deadline. If there are changes to rosters on the day of the meet please report those during the coaches meeting.

**PLEASE REMIND YOUR ATHLETES AND PARENTS TO STAY BACK FROM THE SCORING AREA AS IT IS VERY DIFFICULT FOR OUR TIMERS TO WORK AROUND EXTRA KIDS AND PARENTS.**

Continuing from last year we are also offering pre middle school runners in 5th and 6th grade to participate in their own race! These runners will NOT be scored along with the middle school. If you have any 5th and 6th grade (pre middle school) runners, you may register them along with your middle school teams on baumspage. BE CAREFUL to make sure they are registered in the appropriate grade so their times can be separated out.

### Invitational Concessions

**NEW THIS YEAR!!** We will be offering Invitational T-Shirts for sale at the meet along with additional goodies such as handmade CC earrings and a few concession items.

\*More details and a picture of the race shirts coming soon. Please spread the word to your athletes that we will be having these items for sale this year.

### Course

The course is a standard 5k for the high school race and a complete 2 mile course for the junior high race, it will be marked with a single dashed line of spray paint and volunteer directors will be placed along the course.

- The race start will be on the back practice field (behind the track).
- The finish line remains along the side of the high school building.

The middle school will complete 1 large loop of the grounds and will add the 600 meter field loop in the very back of the course.

The high school will complete 2 loops. On the first loop they will take the standard course (HS will not run the 600 meter field in the back). On their second loop they will take the same loop and add a 300 meter small loop through the nature trail before continuing on to the trail and main loop. (There will be volunteers directing runners at each split off).

**Fees:** The fees for HS and MS school teams entering the run includes: \$80.00 for HS/MS boys teams and \$80.00 for HS/MS girls teams. Schools entering less than a complete team (less than 7 total runners for each team) may pay a fee of \$10.00 per runner. The maximum fee is \$160 for both high school and middle school teams. Please make checks payable to: **Jackson-Milton Local Schools**. Checks can be mailed to: **Jackson-Milton Local Schools 13910 Mahoning Ave. North Jackson, OH 44451 Attn: Abbey Fishtorn**.
