

# 2021 Icebreaker

Welcome to the 2021 Icebreaker! We are excited to have everyone here at this event. Below are some instructions for the day. Please make note there are some changes this year.

1. **Parking.** Due to the increased size and interest of this meet we are making some changes to our parking and transportation plan. This year we will have two entrances; one for teams (this includes busses, parents driving students or anything related to the competition). They should use the following address to enter, **43337 Hasting Road Oberlin Ohio 44074**. This will lead the buses to the side entrance. This year we will be utilizing half of the grass field for team parking (this will cause a slight change in the middle school course as noted below). Spectators should enter through the traditional entrance **12550 Diagonal Road, Lagrange Ohio**.
2. **Course Changes.** The high school course will remain the same from its 2019 version (last year was slightly different due to the different starting line rules we followed). The middle school starting line will be at the same spot as the high school. Their course will be run exactly the same up until they pass the grass hill (this hill has been used in the past for coaches to run to see their athletes). When they get to the grass hills they shall turn onto it, complete a short loop and then return to the trails. There will be a lead and end vehicle during the course to help the athletes and we will ensure everything is clearly marked.
3. **Results** will be posted online on Baumspage and On The Mark Timing. Top 2 teams in each race will receive a plaque. Plaques can be picked up at the concession stand by the finish line.
4. Top 15 individuals in each race will receive a medal. These will be given out as they finish.
5. There will be no box assignments, rather they will be first come first serve.
