

Liberty Center Widewater Invitational

Saturday, September 26, 2015

Liberty Center will again host its 8th annual high school and junior high cross country invitational for teams and individuals that are looking for a competitive and fun-filled invitational. The course runs on the grounds of Widewater Christian Retreat, and it will be clearly marked. Attached are course maps for both the junior high and high school courses. The maps also list areas of interest including bus and spectator parking, team camps, porta-pots, concessions, and awards. This year all teams will be placed in two races based on schools divisional placing, with the top 7 runners for each team being scored, and all other runners being displaced. **High school teams that do not have at least 5 runners on their team may still run in their prospective assigned Varsity races.** Junior high races will combine 7th and 8th grade boys and 7th and 8th grade girls from all divisions. We will have a running clock available at the mile mark and finish line for all participants and coaches. There will be a volunteer worker at the 2 mile mark reading out split times for the high school races as well. **This year we will be utilizing chip timing for all participants!** The course is one loop and almost non-repetitive, and is run on strictly grass and trails. It is very spectator friendly and beautiful. There is a shallow water crossing at the 3 mile mark of the course (weather permitting). **The course has once again been selected to host the 2015 Division II-III Northwest District Championships.** There will be separate award ceremonies for Junior High (9:45 AM) and High School (12:30 PM) with girls receiving awards first, followed by the boys.
