LC EXTRAVAGANZA
RACE DAY INFORMATION

The Liberty Center Athletic Department would like to "Thank you" for your participation in our 2026 LC Extravaganza! We hope that you, your athletes, and those that support your athletes will have a great day filled with great memories of competition and fun!

Please read the instructions below as we will not be meeting as a group for a coaches meeting before the event.

1. Leaders Farm has done an outstanding job with creating this state-of-the-art cross-country course which will be used again this year to host our League and District Meet. Please do your part in keeping your area clean.
    a. We have provided your team a trash bag. When leaving your camping area for the day, please leave this by a trash can. Thank you for doing your part in keeping Leaders Farm beautiful.
    b. There will be a lead and follow gator when a race is being ran.
    c. Please do not allow your athletes or fans to run within the cornfield or any other area that is off limits.
    d. Mile markers are easily accessible with a running time clock.
    e. A reminder that NO athletes (unless those who have just finished their race); NO Parents; and NO Spectators are allowed within the timing / first aid area throughout the day.
2. You have your race day packets. Please make sure to match the correct athlete with their bib and chip number.
    a. If a correction is needed, please see the finish line.
    b. No need to advise us of scratches. If the athlete's chip does not come across, we will know that they did not run the race.
    c. After the race or at the end of all your athlete's races, MAKE SURE that ALL chips are turned in and accounted for. Return them in the same zip lock baggie please. They can be turned in back at the same table that you received your packets. If there is a chip missing, your school will be charged a $25 fee per chip.
3. We have enclosed safety pins for racing bibs.
    a. Please have your athletes attach their bib to the front of their jersey.
    b. If more pins are needed or can be returned, there will be a box available at packet pickup.
    c. Safety pins must be disposed of properly after the race.
4. Starting box assignments have been written on the outside of your packet.
5. All finished results will be on Baum's page after the completion of all races today.
6. A Team Camp area is designated to the right of the starting line.

Thank you once again for making everyone's day a beautiful and memorable fast paced running day!
